

PEG Contracting is currently looking for a **Senior Cost Manager for PreConstruction** to join our growing team!

Are you passionate about cost management? Do you enjoy leading a team and working closely with clients? Are you committed to delivering exceptional results? If so, we want to talk with you!

Our estimating team is major part of our overall service portfolio. Our project pipeline is extremely varied. We work on everything from private corporate expansions, to higher education buildings, and federally funded projects. As a company, we are highly committed and passionate about our work. We focus on exceptional results and lasting relationships.

We are looking for positive and skilled individuals who are excited to be part of a dynamic and growing team. In the Senior Estimator role, you'll work closely with both our clients and our team members.

Here are some responsibilities:

- Ensure client satisfaction with cost management performance
- Lead project estimate process from kickoff through completion
- Lead project risk and pricing analysis
- Lead estimate development for: indirect costs, escalation/risk contingencies/forecasting, executive summaries, reconciliation, benchmarking, risk analysis, constructability reviews
- Perform cost estimates, from conceptual design to detailed construction level documentation
- Source material and equipment quotes
- Assist in team utilization and staffing requirements
- Assist in establishing scope of work and task hours on a project level
- Lead individual and group training on a project level
- Act as a mentor and assist in the development of team members

Qualifications:

- 5+ years of construction estimating experience
- Degree in Civil/Electrical/Mechanical Engineering, Construction Management, Quantity Surveying or similar preferred; a combination of education and work experience will also be considered
- Proficiency in On-Screen Takeoff (or similar take-off software), Bluebeam, Excel, and other Microsoft related software
- Be a critical-thinker, self-starter, and creative problem solver

Why PEG? We make the complex simple.

We pride ourselves in offering a flexible, nimble workplace. We are a growing company with many opportunities for you to make an impact. PEG offers a competitive benefits package that includes 401k with 3% employer contribution, profit sharing, employer paid life insurance and long-term disability, full medical, dental, and vision benefits, and paid time-off and holidays.
